

The Leadership Club

As leaders in your workplace, you are in a position to have greater impact. Through membership in FSECC Leadership Club, your gift to the community goes further and affects more programs, and changes more lives.

Leadership Club membership begins with gifts of \$1,000, or just \$20 a week.

Through your community leadership you will join thousands of your peers who know that the FSECC is the best way to give, and your dollars change lives everyday.

If you would like to set up a special meeting for leadership giving, please contact your fiscal agent.
