

## Stand with ALICE General Fund- Formerly Known As Investing In Results (8000)

By donating to the **Stand with ALICE General Fund** (Formerly known as Investing Results), you are investing in proven organizations that are changing lives. You are supporting ALICE, who is Asset Limited, Income Constrained, and Employed. We are helping children start school ready to succeed, giving families financial literacy skills to care for themselves and their children, and collaborating on projects to help residents be safer and healthier in their own homes and neighborhoods.

Your investment, combined with thousands of others, makes the greatest possible impact in improving lives – not just today, but for generations to come.

You may choose to support the general fund, overseen by local volunteers who review programs, understand and prioritize community need and ensure your donation does the most good – or you may choose one or more of the specific focus areas:
