VOLUNTEER RESOURCE CENTER

HFUW's Volunteer Resource Center (VRC) matches volunteers, both groups and individuals, with more than 200 local nonprofit agencies to create exceptional volunteer experiences throughout Orange, Osceola and Seminole counties.

CORPORATE AND ORGANIZATION GROUPS

The VRC specializes in finding service opportunities that meet the passions and interests of corporate, faithbased, civic and student groups. HFUW is able to customize opportunities in order to best meet the volunteer goals of our corporate partners.

INDIVIDUALS AND FAMILIES

The VRC team has numerous family-friendly volunteer opportunities throughout the year. In addition to United Way experiences, the VRC manages a free volunteer website that is used by over 100 local nonprofits in need of volunteers. This website enables community members to learn about other local nonprofit organizations that need help and to find one-day, ongoing or special event opportunities. Opportunities can be searched by zip code, interests and agency name.

LIVE UNITED VOLUNTEER EVENTS

The VRC plans several done-in-a-day volunteer events throughout the year that make large-scale differences in our community. Some of the upcoming events include: Thanksgiving Project, Week of Action, Share the Love, and the Community Baby Shower .
