THERE’S A PLAN

The Orlando Service Area is a patient care and prevention network that serves Orange, Osceola, Seminole, Lake and Brevard counties.

The Intergrated HIV Prevention and Care Plan was developed with guidance from the CDC and the Health Resources and Services Administration (HRSA). It outlines the goals of the National HIV/AIDS Strategy that work to ensure that people living with HIV/AIDS are healthy and to reduce the spread of the disease...

By the end of 2026, The Plan will:

• **Goal 1:** Prevent new HIV infections
• **Goal 2:** Improve health outcomes for people with HIV
• **Goal 3:** Reduce HIV-related disparities and health inequities
• **Goal 4:** Achieve a more coordinated local response to the HIV epidemic

The Orlando Service Area relies on the support of our community partners:

- AIDS Healthcare Foundation
- Aspire Health
- Bliss Healthcare Services
- Burnham, Woods, Champa & Associates
- CAN Community Health
- Center for Multicultural Wellness and Prevention Inc.
- Central Florida HIV Planning Council
