LEAD THE CHARGE: JOIN AS A 2026 SPONSOR

The Women United Luncheon, a powerhouse event, gathers 700+ professionals and community leaders from the tri-county area.

Picture dynamic networking, a riveting national keynote, and the opportunity to come together to support vital programs and services in Central Florida.

Fueling transformation, the Women United Luncheon directs its impact toward the Heart of Florida United Way (HFUW) mission. Your support doesn't just fund; it empowers ALICE (Asset Limited, Income Constrained, Employed) families. Last year, HFUW was able to support 150 new and expecting mothers at our annual Community Baby Shower and provide 6,000 Thanksgiving meals to our tri-county area during the holiday season. Your support fuels our impact!

2026 KEYNOTE SPEAKER: KINDRA HALL

This year's event will feature a keynote address by Wall Street Journal best-selling author and award-winning storyteller Kindra Hall.

Kindra Hall is a sought-after keynote speaker trusted by global brands to deliver messages that inspire teams and individuals to better communicate the value of their company, their products and their individuality through strategic storytelling. Hall is also the former Chief Storytelling Officer at Success Magazine where she shared the inspiring, often untold, stories of achievers like Daymond John, Deepak Chopra, James Altucher and Misty Copeland in print and on the podcast Success Stories with Kindra Hall.

Through compelling research, profound case studies, and captivating stories of her own, Kindra will elevate individuals on all levels of your company. The outcome of this keynote is attendees feeling empowered, excited and capable of making a simple shift to telling more strategic stories to captivate customers, influence behavior and transform business.
